CAPTAIN CLARK AND THE PICTURE.

The subjoined correspondence has a live
by public interest:
CAPT. CHAS. E. CLARK,
NAVY YARD, League Island, Pa.

My dear Sir:—It is a great pleasure to
transmit herewith a certified copy of a joint
resolution providing for a portrait of your-
self to be placed in our State Capitol. Per-
mit me to add that the distinguished honor
accorded you by our mountain State seems
to meet with the approval of all as a de-
served recognition of one of her sons who
has been faithful to every duty. Commu-
nication will be made to you later when the
detail of matters provided for by the resolu-
tion. With high esteem, I am,
Very respectfully,
Yours truly,
WM. W. STICKNEY,
GOVERNOR OF STATE OF VERMONT.

My dear Sir:—Your letter of the 19th inst., enclosing a certified
copy of the joint resolution of the General
Assembly of Vermont has been received,
and I thank you very much for the way in
which you speak of the signal honor which
has been accorded me, especially for your
own words, "One of her sons who has been
faithful to every duty."
I cannot read those resolutions without
being deeply affected, nor think without
emotion of the great distinction that came
to me through the action of all the members
of both legislative bodies, and the fact that
my name was mentioned, representing as it
did the State and people I love so much.
Perhaps the best way for me to acknowl-
edge the obligation I am under to that peo-
ple and its distinguished representatives, is
to refer to the noble ship and company they
have so greatly honored through me.

When we left the other side of the coast
of Brazil, and pushed ahead at full speed, I
believed the West Indies would be the
scene of the decisive conflict, and therefore
that the risk of an encounter with the
Spanish fleet should be incurred with-
standing the warnings given of its superior-
ity. These were moments when the resolu-
tion of both legislative bodies, and the fact
that my name was mentioned, representing as
it did the State and people I love so much.

ple and its distinguished representatives, is
